

# ART MONTH

BY CILANTRO RESTAURANT

Every item of artwork adorning Sun Gardens Dubrovnik was created by Croatian authors.

This month, resort celebrates that spirit of artistry with a special menu at Cilantro restaurant where each course is paired with a Croatian artist's vision.

## **BEETROOT TARTAR ~ ZDRAVKA IVANDIJA**

*A vivid composition of earthy beetroot, soft egg, Grana Padano, spring onion, and capers - a playful reimagining of a classic, echoing Ivandija's bold expressions.*

## **BEEF CARPACCIO ~ DRAŽEN TROGRLIĆ**

*Tender beef, delicately dressed with aged balsamic, Dijon mustard, Grana Padano, and fresh rocket - refined, precise, and full of depth, much like Trogrlić's work.*

## **BLUE SPIRULINA BLACK TAGLIATELLE ~ DALIBOR JELAVIĆ**

*A palette of hand-crafted tagliatelle enriched with blue spirulina, mussels, saffron velouté, dill, and Grana Padano - where sea and canvas merge in Jelavić's vibrant language of colour.*

## **RED BLISS ~ OUR INSPIRATION OF ART**

*A sweet finale and pure expression of imagination - Cilantro's very own ode to creativity and the power of art.*

**PRICE: 90 EUR PER PERSON**
