

ART MONTH

BY MARASKA LOUNGE BAR

Every item of artwork adorning Sun Gardens Dubrovnik was created by Croatian authors.

This month, resort celebrates spirit of artistry with a special cocktail list at Maraska Lounge Bar - presenting three signature creations, each elevated with artistic decoration.

Our mixologists are inspired by the timeless sour style - shaken to perfection, crowned with a silky foam, and finished with a delicate dusting of orange peel powder, crafted from oranges grown in our garden.

For a touch of natural beauty, we also draw from our own garden, garnishing with edible flowers that bring colour and fragrance to every sip.

Featured Cocktails:

Amaretto Sour

Whiskey Sour

Gin Sour
